M.C. 13; Imlay 6

The Mariners started the year off by outfighting a stubborn, tough Imlay City eleven.

M.C. 8; St. Stephen 6

After a slow first half the Mariners came to life and once again the "never quit" spirit paid off in a close victory.

New Baltimore 12; M.C. 7

In a driving rain and sea of mud the Mariners lost a hard fought decision to the Tars and hard-running Bruce Spiekout.

Marysville 20; M.C. 0

Before a large Marysville Homecoming crowd, the Mariners' defense crumbled an inspired Viking team.

Algonac 13; M.C. 0

Marine City, giving everything it had with its new offense, fell before a huge Homecoming crowd on the strength of two last period scores by the Muskrats.

Richmond 20; M.C. 7

Richmond's over-all power and strong defense were just too much for the Mariners.

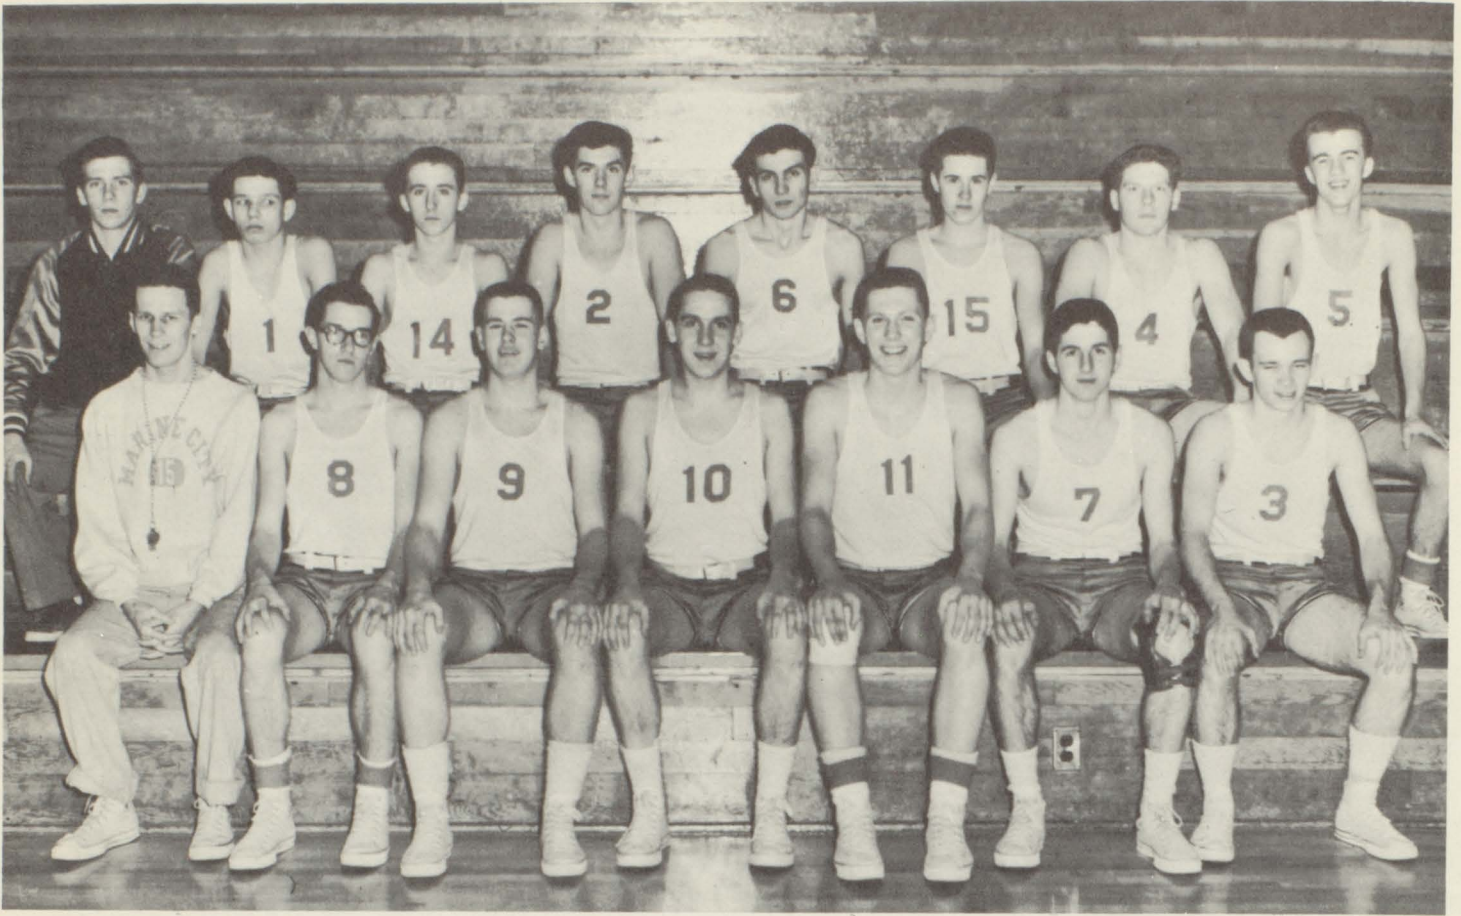

M.C. 27; Holy Cross 6

Marine City broke its four-game losing streak by defeating an improved Crusader eleven. The Mariners displayed a good running game plus a strong defense.

M.C. 15; St. Clair 14

The Mariners evened up their season at 4 wins and 4 losses. A blocked punt, which was turned into a safety, was the margin for victory.

President's Address

Tonight, we, the graduating class of "'55," feel honored in having your presence at our commencement. Some of you may have attended several occasions such as this, while others may have to look back to your own high school days to recall similiar memories. To some of you, this is an event that happens every year, a senior class graduating from high school, while again to others this is that one day anticipated for many years, and one day which will be remembered in the years to come. But, whatever your reason for being here tonight, whether you are teachers, parents, relatives, or friends, the class of "55" welcomes you.

Throughout our high school years our class has regarded a person's individuality as one of his most priceless possessions. We believe in scholarship, which represents open-mindedness toward knowledge and ideals; leadership, which understands the obligations of living in a democracy; service, which fosters personal responsibilities; friendliness, which recognizes no barriers of race, color or creed; and respect for authority, which is a necessity in an organized society.

This class has passed through all the stages of school life according to tradition--honoring the seniors as freshmen, laughing at the freshmen as sophomores, ignoring all as juniors, and letting everyone know when we were seniors, but most important of all, we have acted and worked as a class, a closely-knit group of companions, realizing this year would be our last together.

Some day most of us will be sitting in your place, watching a performance similar to this, and we hope that when that time comes, we will have been as helpful, encouraging, and faithful to that graduating class as you have been to us. As President of the class of "'55," I am speaking for the entire class in hoping that you enjoy our commencement program.

Bob Parcell

Class Poem

As we entered into high school,
This class of fifty-five,
We each set up a certain goal,
Toward which we planned to strive.

Our first year was the hardest,
As Freshmen, we were new,
But with the aid of teachers,
We managed to struggle through.

We then returned, as Sophomores,
To begin our second year.
The road ahead seemed difficult,
And our plans were not too clear.

But as a mighty Junior class,
With two years left to go,
We accomplished much and learned a lot,
As our records plainly show.

We now have reached our Senior year,
And high school is almost done,
But our final year won't be complete,
Till our diplomas have been won.

Our high school days, we'll never forget,
Nor the friends which we made there,
Though our ways may part when we graduate,
We'll all meet again somewhere.

Class History

THE DIARY OF THE CLASS OF '55

September----Seventy-one of us brand new recruits enlisted at the Marine City Naval Station. We joined the good fleet of M.C.H.S., which consisted of four ships. We were assigned to the vessel of the lowest rank nicknamed "Freshmen." Our officers were Bob Parcell, Captain; Nancy Baker, 1st Mate; Margaret Achatz, Recorder; and Mary Phillips, Purser. Our Commanding Officers were Mr. Borr and Miss Bolton.

After nine and one-half month's boot training, we were allowed a two and one-half month's furlough.

September 1952----Seventy-six of us were promoted to our second ship "Sophomore." Our officers aboard this trip were Don Wissman, Captain; Beverly Rossow, 1st Mate; Lorraine Erdman, Recorder; and Ann Recor as Purser. This year our Commanding Officers were Mr. Borr and Mrs. Burghdorf.

Having again passed nine and one-half month's of training we were given time off--two and one-half months.

September 1953----Sixty-eight of us reported to our third ship "Junior." Our crew, under the leadership of Captain Bob Parcell, 1st Mate Tom Christensen, Recorder Beverly Rossow, and Purser Carol Baker, were now going full speed ahead. As we were now becoming expert seamen, we decided to break a few records and enjoy ourselves. November 5--We gave a beautiful J-Hop, "Autumn Nocturne," under the co-chairmanship of Tom Christensen and Bob Parcell, which was very successful. February 1954--We set a new record of \$2800 selling magazines. March 1954--Marine City Mariners fought their way to State Class C runner-up title in basketball. They won five titles that year. June 1954--We celebrated the Junior-Senior Banquet on our ship with Terry Washburn doing a marvelous job as toastmaster.

September 1954----Sixty-two of us proudly walked up the gangplank to our fourth and final ship "Senior." Leading the march was our experienced Captain Bob Parcell with Mary Belle Drinkard as 1st Mate, Arni Smith as Recorder, and Carol Baker as Purser. This, being our last year on these four ships of training, had been the happiest of them all, but it seemed to us to be of the shortest duration. November 18--We presented our Senior play, "The Brain Storm," under the wonderful direction of Mrs. Fullwood. On May 7--We gave a wonderful Senior Prom. By this time we were all looking forward to

May 30, when we left to go to Niagara Falls and New York on our Senior trip. We spent a glorious three days sightseeing and having a lot of fun. June 4--The Junior-Senior Banquet was given in our honor. June 5--Our Baccalaureate services were held, and on June 9, we received our honorable discharges from the fleet of M.C.H.S.

There is a true feeling of sadness as we think of leaving this fleet which we have grown to love so well. Some of us will take up training on a larger fleet called "College," while others will start out upon the great highway of life. Each one of us is determined to make a great success of life. We feel sure that we, as graduates, shall advise all who have not experienced the wonderful four years of life on the sea of knowledge to enlist as a Mariner at the grand old recruiting station at Marine City High School.

Class Song

HAIL, CLASS OF '55

Hail class of '55,
Noble and strong,
To thee with loyal hearts
We raise our song.
Ne're shall our spirit die;
Others shall praise.
Hail, Class of '55
Through endless days.

Green and silver
Our colors are,
And thee white rose we chose
As our class flower.
Our high school days are done,
But we'll remember always,
Our Class of '55
Through endless days.
